

Out The Box Mime

Out The Box Mime's Allen & Almoni Ellis was formed in 2005. The bond they share is evident through the unique way this father daughter team convey messages of hope, healing and deliverance to God's people. Though rooted in the church, the ministry has managed to transcend beyond the walls of the church and has been featured in concerts with The Virginia Aires, Marvin Sapp, Rizen, Earl Bynum & The Mount Unity Choir, Alvin Darling, and Kurt Carr to name a few. However, the group's versatility has afforded them opportunities to be a part of events such as the unveiling of the Black Heritage Stamp and The Pageant of Peace Christmas tree lighting ceremony held at the White House. In 2006, Out The Box unveiled its' live mime show entitled *Silent Stories* to a crowd of nearly two thousand. In 2008, God impressed upon Allen's heart to establish training in the area of Mime and as a result MimeTalk workshop was created. MimeTalk has been the birthing station whereby new groups come to learn and older groups develop their ministries. That same year, (OTB) father and daughter team released there DVD "*Be Different Think Different.*" In 2010, Out The Box Kidz was established with a mission to strengthen communication skill via the medium of mime.

Out The Box Mime is a part of a movement at The Mount in Chesapeake, Virginia where Bishop Kim W. Brown is their pastor.
